

■ The Jewish Community Disaster Fund has been established by the United Jewish Federation of San Diego County, the Jewish Community Foundation of San Diego and Jewish Family Service of San Diego. The Fund's objectives are to provide assistance to Jewish families and others in need who have been affected by the fires, as well as any rebuilding to the communal infrastructure that will be needed. Funds will be held by the Jewish Community Foundation and administered by a committee representing the three organizations and the Jewish community at large. No overhead costs will be taken from the fund, and all dollars raised will help those in need. To make a donation, call (858) 571-3444 or visit www.jewishinsandiego.org.
