

Don't Miss the San Diego Walk for Darfur

This Sunday at Mission Bay Park!

The purpose of the 2nd San Diego Walk for Darfur is to bring together people from the San Diego Community to show their solidarity for the people of Darfur, to use a collective voice to help stop this genocide and to raise funds for a humanitarian project that [American Jewish World Service](#) is involved with in Darfur. Funds raised will help to support several projects in Internally Displaced Camps in Darfur that work with women and children, all victims of trauma, in a variety of educational, psychological and social programs.

Even if you haven't registered, you can still join us on Sunday! Just [email](#) or call Marissa at (858)279-2740 and the Jewish Community Foundation will pay for your registration. You can make a donation to the cause, or just show your support by walking with us. Friends and family are welcome to walk with us too, but will need to register for the walk separately.

Our team will meet at **8:15 a.m.** near the registration table. The walk begins promptly at 9:00am and will end at about 10:30 with a rally. When you arrive, call Marissa's cell at **909.921.4027** to find our exact location.
