Once in a Lifetime Opportunity: JITLI-Jacobs International Teen Leadership Institute

The Jacobs International Teen Leadership Institute (JITLI) is a program designed to foster education, leadership skills, and enhance cultural breakthroughs. Forty teens - ten American Jews, ten Israeli Jews, and twenty Israeli Arabs, will come together during the summer for three weeks for a life changing summer program. JITLI aims to breakdown stereotypes and build lasting relationships leading to a vibrant and meaningful co-existence. Together the participants have meaningful discussions, travel throughout Israel, and have the opportunity to take an inside look into the lives of two completely different cultures.
