As you tell the  
story of Passover,  
ask yourself...

## What will your story be?

Passover reminds us of the importance of sharing stories with the next generation. Tell yours through a bequest or other planned gift of any size in your will or trust to the Jewish community.

Over 1,000 families in San Diego have told their stories by creating a Jewish legacy since 2004.

We honor and thank our current Legacy Society members. We would love to include you among them! Please let us know if you have already included us in your charitable legacy plans. If you would like to learn more, contact us at [your contact information].
