

# INCREASE YOUR PHILANTHROPIC IMPACT WITH AN EXTRA \$1,000 TO GIVE AWAY

WHAT WOULD YOU DO WITH AN EXTRA \$1,000 FOR YOUR TZEDAKAH?

Establish a donor advised fund of at least \$10,000 with the Jewish Community Foundation now and we will match your first grant to any Jewish organization up to \$1,000 – giving you more to help the community at a time of profound needs. Act quickly before all the slots are filled. The first 50 funds established by September 2009 qualify for the match; fewer than 20 slots remain.

## Steps to Establish a Donor Advised Fund

It takes less than 15 minutes to open a donor advised fund, receive an immediate tax deduction and start making a philanthropic impact.

- Start your fund by signing a simple agreement that can be completed in minutes.
- Transfer assets of \$1,800 or more – \$10,000 to receive a matching grant.
- Receive an immediate charitable tax deduction for the full fair market value of assets you transfer. For appreciated assets, you may eliminate capital gains tax.
- Recommend grants from the fund to charitable organizations of your choice in the Jewish and general communities – on your timetable.
- Enjoy online access for transactions and information.

New to the community but a longtime philanthropist and supporter of Israel, **Nina Madden Sabban** used her matching grant to support the **American Technion Society**.

Above: **Sheryl Rowling**, center, managing partner of **Rowling, Dold & Associates LLP** and co-chair of the Foundation's Professional Advisor Council, established a corporate donor advised fund through the matching grant incentive program to encourage employee philanthropy and activism.

Left: Active community volunteers **Francine and Phil Ginsburg** used their matching grant to support the award-winning San Diego Jewish Film Festival, which Francine chairs. The Film Festival is a program of the **Lawrence Family Jewish Community Center's San Diego Center for Jewish Culture**.
