

Thank you for your involvement with the Foundation. We greatly value your input and referrals throughout the year.

We are pleased to report that the Foundation is enjoying a successful year:

- Gifts to the Foundation for the first six months of the fiscal year are on track to meet the entire amount received last year.
- Grants from the Foundation to non-profit organizations also continue at record levels.
- Families continue to establish new donor advised funds.
- The matching grant has been an attractive incentive (see below). A limited number of slots remain for the program.

Please share the benefits of a donor advised fund with your clients as you engage in conversations about philanthropy. We hope you will also encourage your clients with donor advised funds to consider replenishing them.

We would also like to share this week's *Washington Hotline* with you which includes timely information about the [IRA Charitable Rollover](#).

Please feel free to contact the Foundation with questions.

Establish a Donor Advised Fund at the Jewish Community Foundation with a minimum \$10,000 balance to manage your giving and we will match your first grant up to **\$1,000 to any Jewish organization**.
