

Late-Breaking News!

Thank you for serving on the **Professional Advisor Council**. Here is the latest news from the Foundation:

The **Jewish Community Foundation** has received **\$48 million** in new **gifts** since July, replenishing donor advised funds and family foundations from which donors gave so generously during the recession.

Grants from the Foundation remain strong at more than **\$41 million** during the same period, awarded to non-profits in **San Diego, nationally, in Israel and around the world**.

Here are some ways to help your clients with their philanthropy:

- Share the **benefits of a donor advised fund**.
- Encourage those with donor advised funds to **consider adding to them**.
- Suggest **funds for children or grandchildren**.
- Offer the **matching grant incentive** for new donor advised funds.
