# *Make it a Sweet New Year*

for **Your Synagogue Here** for generations to come.

---

Nearly 1,300 families in San Diego have told their stories by creating a Jewish legacy since 2004. A planned legacy gift can support our organization in perpetuity.

We honor and thank our current **Your Legacy Society** members. We would love to include you among them! Please share with us if you have made legacy plans or would like to learn more about our legacy program.
