

Chag Pesach Sameach

Wishing Our Entire Community
A Happy Passover

As

we prepare to share the story of our ancestors in the Haggadah, we may be thinking about what **our story**

will be. How can we **make a difference in this world** and create a legacy for generations to come?

Should we **stop for a moment and consider** what would happen if we did nothing? Do we remember our responsibility to not sit idly by?

At the **Jewish Community Foundation**, we believe that every individual can make a difference and together we can change the world.

By establishing a **Donor Advised Fund**, you receive **personalized guidance for your philanthropy**, including curated content based on your special interests, exclusive opportunities to visit local nonprofits, and invitations to special events.

To share your story and begin making a difference, please contact: **(858) 279-2740**
